

## **JGM Property Group Awarded Two More Contracts to Provide Field Service Management Services**

***Shelby Township, Michigan (June 15, 2022)*** -- JGM Property Group, Inc. (JGM) has won two additional five-year contracts to provide field service management (FSM) services to the Department of Housing and Urban Development (HUD), Single Family Housing, Real-Estate Owned (REO) Division.

The scope of these new Department of Housing and Urban Development FSM contracts focuses on HUD-owned, foreclosed residential properties a little closer to JGM Property Group headquarters and include the Michigan, Ohio (1P/4P), and New York, New Jersey, Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, Maine (3P) contract areas. Services to be performed include items such as property maintenance and preservation services, property inspection, securing property, and performing cosmetic enhancements/repairs.

Building upon its more than 20 years of proven expertise in property inspections, maintenance, and preservation, JGM Property Group effectively transitioned from a tier one/two subcontractor on previous Department of HUD contracts to a premier prime position leveraging its solid foundation as a prime contractor in the property management market.

“I was absolutely thrilled to receive the notification from HUD that JGM won two more contracts. We have worked very hard over the past 20 years building strong working relationships and partnerships with our clients and our vendor network and ultimately delivering quality products and services to our customers. JGM has established itself as a strong, reputable, customer-focused regional provider in the single-family foreclosed property inspection and preservation business and we are excited to get started on the HUD contracts. I am confident that we will exceed HUD’s performance expectations,” said Joyce Gill- Milaszewski, CEO and owner of JGM Property Group.

JGM Property Group has been trusted by government and commercial clients to deliver property inspections and preservation services in some of the most challenging areas across the United States and U.S Territories including the Hawaiian Islands, Puerto Rico, and the U.S. Virgin Islands. The award of these additional Department of HUD FSM contracts to JGM is a testament to JGM’s continued commitment to our clients, subcontractor network and the communities within which we serve.

Over the next sixty days, JGM Property Group will be working to align existing and new resources to support all three of the HUD FSM contracts they were awarded.
